CHALLEDON SURPRISE IN NEW ENGLAND FUTURITY

PLAYMAY WINS AGAIN

Takes Early Lead at Sportsman's and Holds It Easily.

Grand Day Unable to Catch Whitebrook Racer in Autumn Claiming Purse—Dew Astride Winner.

CICERO, Ill., Oct. 29.—Before a large and enthusiastic gathering, one of the biggest of the meeting and under ideal weather and track conditions, M. Whitebrook's Playmay broke in front and stayed there in the Autumn Claiming Purse, a run of a mile and a furlong which served as today's feature at Sportsman's Park. After toying with Grand Day for about three-quarters of a mile, Playmay drew into a good lead and held it to the end, where her margin of victory was four lengths.

Grand Day, which was the favorite in an open-betting affair, wearied of trying to catch the steady-going pacemaker and wound up third, Oddesa's Pride moving up to take second place by a length. Portunus finished fourth, and then followed Lady Fitz and Checks, the only other starters.

Apprentice Earl Dew did not have to persevere with his mount to keep her in front. After going about three-quarters he roused the Whitebrook mare and she responded by opening daylight on her nearest rival. From then on it was apparent she had the race at her mercy, for Grand Day began to tire and Oddesa's Pride was making no appreciable gain.

SECOND STRAIGHT.

Playmay, scoring her second straight victory and her eighth of the year, ran the distance in 1:57⅗ and paid $9 for $2 in the mutuels.

The Autumn Claiming Purse was offered as the headliner when the original feature, the Autumn Handicap, was declared off for want of sufficient entries. Although the program did not bring out any of the top-grade performers on the scene, the racing was interesting and well-backed horses for the most part gave creditable accounts of themselves.

F. Robertson's Honored Miss, beaten only narrowly in her last engagement, got a close decision at the end of the seven furlongs of the third race. Closing well under the guidance of Albert Bodiou, the four-year-old daughter of Carlaris, got up to score by a neck as Little Duke ran second and Zat So third. Miss Europe, the favorite, was carried extremely wide on the first turn by Zat So and never proved a serious factor thereafter, while Brophy, which also came in for stanch support, also failed.

BODIOU REPEATS.

Merry Saxon, performing under the colors of the Lexbrook Stables, carried jockey Bodiou to his second straight victory by accounting for the fourth race, another contest at seven furlongs, which engaged ten juveniles. The daughter of Saxon raced the pacemaking Vuljest into defeat after a half mile and then held sway to the end, although she had to be ridden out to stall off Patrol Scout. Tureen was three lengths farther away in third place at the end, with Alice May fourth. Vuljest was far back at the wire. The winner was the favorite.

Apprentice Dew rode his third winner of

JACOLA AND VOLITANT

Triumphant in Washington Handicap and Spalding Lowe Jenkins Stakes.

First-Mentioned Race Marred by a Fatal Accident to Filly, Idle Miss, Jockey Robinson Escaping Injury.

LAUREL, Md., Oct. 29.—Jacola and Volitant, the favorites, won the twenty-fifth and eleventh runnings, respectively, of the Washington Handicap and Spalding Lowe Jenkins Stakes here this afternoon over a heavy track. As murky weather prevailed, the crowd was held to about 12,000 persons for the finale of the Maryland State Fair's annual twenty-five-day meeting. Jacola, sporting the silks of Edward Friendly, kept her Laurel record untarnished as she defeated eight other good older horses and enlarged her earnings by $15,650, while Volitant won $5,950 for the Saratoga Stable of George H. Bull and John A. Morris.

The running of the $15,000 added Washington, over the exacting mile and one-quarter route, was marred by a fatal accident to Idle Miss, whose left hind leg snapped off just below the hock as she went into the clubhouse turn in close attendance of the leaders. Alfred Robertson fortunately fell clear when she went down and was not injured.

BY LENGTH MARGIN.

Jacola captured the Washington by a length over Mrs. E. Graham Lewis' Great Union, which finished ten lengths before Mrs. Emil Denemark's Two Bob. Aneroid was fourth with the highly regarded Esposa landing in fifth position. Carrying scale weight of 117 pounds and under the faultless guidance of Maurice Peters, the three-year-old daughter of Jacopo and LaFrance, whose previous victories here included the Maryland Handicap, Laurel and Selima Stakes, ran the distance in the comparatively good time of 2:06.

In the Jenkins, in which he was 3 to 5,

OPENING DAY AT DOWNS

Enthusiastic Crowd Sees Lightspur Score in Co-Feature.

Marsch Youngster Favorite at Almost One to Three—Bad Accident Occurs in Sixth Race.

LOUISVILLE, Ky., Oct. 29.—With a large and enthusiastic crowd taking advantage of Indian summer weather to view a very attractive program, Churchill Downs opened its fall meeting of seven days this afternoon.

Several sparkling races were offered the big gathering and the one to attract most attention was the Kentucky Hotel Purse, for two-year-olds. This brought together seven juveniles, five of which are candidates for the Kentucky Jockey Club Stakes to be renewed as the feature next Saturday, and it resulted in a very popular score when John Marsch's Lightspur was an easy winner. Setting his own pace and held at the prohibitive odds of 1 to 3, the well-made son of Blue Larkspur reached the end of the dash two lengths before Junius Bell's Steel Heels. Scotch Trap and Miss Sarah, non-eligibles to the chief event of the fall season, were third and fourth, and then followed Star Boarder, Stockboard and Range Dust.

It was a splendid run for Lightspur and boosted his stock for his stakes engagement. Well handled by Kenneth McCombs, who

War Admiral Given His Final Trial Despite Muddy Track—Prepare for Inaugural on Monday.

BALTIMORE, Md., Oct. 29.—Chas. S. Howard, Samuel D Riddle and officials of the Maryland Jockey Club gazed anxiously at the heavens today in the hope that the sun would break through the clouds and definitely put to an end the rainy weather which prevailed here all day yesterday and this morning. Clearing weather is forecast and should no more rain fall, Matt Daiger, Pimlico general manager, promises that the track will be in good condition by Monday and at its best on Tuesday when the Seabiscuit-War Admiral match is scheduled.

Regardless of the muddy condition of the course this morning, War Admiral was sent through his final trial for the event with Riddle on hand. The son of Man o' War and Brushup was sent the mile and three-sixteenths distance of the match by trainer George Conway and negotiating the going easily, he was timed in 2:02.

War Admiral was brought out later in the morning and Charles Kurtsinger, who has ridden him in most of his races and will have the leg up Tuesday, was on his back. After a leisurely gallop around the track, the brown colt was taken into the paddock for schooling purposes after which he galloped around the course again to the three-sixteenths pole where he was sent on his way.

Hitting his stride quickly, War Admiral went the opening furlong in :12⅕, the quarter in :24, the three-eighths in :36⅕, half in :49, five furlongs in 1:02⅗, three-quarters in 1:15⅕, seven-eighths in 1:29, mile in 1:42⅕, and nine furlongs in 1:56.

Except for the track condition, everything is in readiness for the match and for the opening of Pimlico's autumn meeting of thirteen days.

Much of the plant has been freshly painted and the new steeplechase course was entirely in order.

Racing secretary Charles J. McLennan and his assistants were busy throughout the day issuing badges and making ready for the acceptance of entries Monday for the inaugural program.

PLANS FOR NATIONAL DEFENSE

Government and Fourteen Utilities Agree on Extensive Program.

Movement Will Be Big Aid to Industry—Two Chicago Projects Approved by Federal Housing Administration.

A move to strengthen the National Defense, which will incidentally help industry, was made at Washington when the Roosevelt administration and fourteen large utilities agreed to a far-reaching program. Utility executives pledged themselves to place immediate orders for equipment to add some 1,330,000 horse power to existing generating capacity. They estimated that the "first stage," alone, of the expansion program would mean an outlay of $2,000,000,000 in the next two years. This, they said, would double the recent annual rate of capital expenditures by the industry.

The Federal Housing Administration in Washington placed its final approval on two more Chicago apartment projects. Both will be on the south side and will represent a total reported investment of about $775,000. Together they will have 150 apartments. Work is scheduled to start within a few days on both with the hope of having them ready for May 1 occupancy next year.

The Hershey Chocolate corporation and the Wright Aeronautical corporation reported larger earnings. Net profit of Hershey

TIME ALONE UNPLACED

W. L. Brann Youngster Accounts for $33,410 Narragansett Stake.

Twenty Thousand Attend Despite the Cold Weather—Track Muddy for Running of Race for Juveniles.

PAWTUCKET, R. I., Oct. 29.—W. L. Brann's Challedon, a horse which broke his maiden at the summer meeting here, scored a stunning surprise as he won the $25,000 added New England Futurity and a prize of $33,410 this afternoon, taking the richest juvenile race of the New England season. The son of Challenger II. and Laura Gal finished out two lengths in advance of Alfred Vanderbilt's Impound and he overcame trouble to win the race. Wheatley Stable's Gilded Knight finished third, a neck off the runner-up and some four lengths in front of T. M. Dorsett. Time Alone, short-priced favorite, ran a miserably poor race. He set the pace under restraint, was asked for speed by Tucker on the far turn and was found completely wanting, dropping back and back until he wound up a well-beaten fifth in the seven-horse field.

The day was cold, but a crowd of 20,000 was out to see the richest race of the autumn season. The track was heavy for the event which was run in 1:46⅘.

Time Alone went away from the gate like a streak, opened up two lengths around the clubhouse turn and was under a pull as he showed the way by that margin down the back stretch. T. M. Dorsett chased him but could make no impression upon his lead.

SPARKLING FINISH.

The field began to move up to him on the far turn, and Eddie Tucker let out the loops. He failed to gain ground. Challedon took him around the turn, Seabo cracking down twice with the whip to bring him up. He came from sixth place to take the van. He kept coming. At the sixteenth post he was drawing away as they kept dropping back behind him.

Impound ran a great race and might have been the best horse. He stumbled and went almost to his knees at the start, but was gaining at the end. Time Alone was through once he was headed and dropped back until he was definitely eliminated.

Olney showed a flash of speed and retired rapidly thereafter. T. M. Dorsett also had nothing but early speed. Gilded Knight, far back early, flew from the stretch turn home and looked very dangerous at the eighth post when Time Alone was tiring.

The race was a true one aside from Impound's accident at the start. Time Alone had no excuse whatever. The favorite was simply not there when they asked him for it.

Esposa Will Head West
Marica Resting Until 1939
Old-Time Stars Larger Horses

Two winters ago Seabiscuit was beaten a head by Rosemont in the Santa Anita Handicap and the Foxcatcher Farms horse has been retired to the stud. . . . Last winter Seabiscuit dropped a nose decision in the West Coast's $100,000 race to Stagehand and Maxwell Howard's colt is going to loaf until next spring. . . . So it would seem Seabiscuit might have an easier time of winning the Santa Anita before he's done with racing. . . . But will he? . . . Esposa may be in his way. . . . She will be one of the numerous other class horse to be prepared for the fifth running of the $100,000 event. . . . Just about a year ago the daughter of Espino and Quick Batter nosed out Seabiscuit in the Bowie Handicap. . . . A California invasion is planned for William Zeigler's endurance mare and she will go West following a brief vacation following her forthcoming Pimlico campaign. . . . And she'll be asked to keep on racing next season too.

Marica is now taking matters easy at the Kentucky farm of Howard Oots. . . . After ruling the division of fillies and mares throughout the summer the daughter of Epinard and Canberra failed badly in the Narragansett Special and Havre de Grace Handicap. . . . Her ankles bothered her too much in those efforts so Thomas D. Taggart's good mare was put away. . . . She likewise is intended for further campaigning next season. . . . Don Meade reports soon to George Odom at Columbia, South Carolina. . . . He will get himself in condition at that point and accompany the Odom stable to Florida where he will be permitted to resume riding December 1. . . . Ernie White has been engaged to supervise the pari-mutuel department at Tanforan and will report at the San Bruno course after completing his duties at Churchill Downs, where he assists E. A. Weidekamp.

Capt. Thomas Clay, who with his late brother owned a large portion of what is now Calumet Farm, has given this depart-

BERMUDA EXTENDS INVITATION

HAMILTON, Bermuda, Oct. 29.—The Bermuda assembly today instructed Governor Hildyard to invite King George VI and Queen Elizabeth, of Great Britain, to visit this British colony next summer. The legislative body voted to ask their majesties to come to Bermuda after completing their scheduled visit to Canada. Governor Hildyard is expected shortly to forward a formal invitation to the King and Queen through the colonial office in London.

STAKE NOMINATIONS ARRIVE

LAUREL, Md., Oct. 29.—Joseph B. Boyle, general manager of the Southern Maryland Agricultural Association, operating Prince Georges Park at Bowie, stated that nominations for the valuable stakes to be decided during the coming meeting are coming in steadily and that they would be compiled and released shortly.

DESTROY IDLE MISS

LAUREL, Md., Oct. 29.—The racing career of Idle Miss, owned by B. Frank Christmas, came to an untimely ending at Laurel on Saturday when the four-year-old daughter of Distraction—Misleading broke her left hind leg in the running of the Washington Handicap. The filly suffered the accident at the first turn when in a forward position and she was humanely destroyed when her case appeared hopeless. The filly was a sensation this year, winning seven of her fifteen starts, and rising up from a lowly selling plater to beat such aces in the handicap division as Jacola, Piccolo, Isolater, Esposa and others. She was insured.

WATCHES WAR ADMIRAL WORK

LAUREL, Md., Oct. 29.—Samuel D. Riddle, owner of the Glen Riddle Farm stable, was on hand at Pimlico early Saturday morning to watch the trial of War Admiral and was impressed by the good move of the Man o' War colt.

NOT INTERESTED IN CHALLENGE

GLOUCESTER, Mass., Oct. 29.—Cap'n Ben Pine of the Gertrude L. Thebaud, defeated for the International Fisherman's Trophy, said today that he was "not interested" in Cap'n Angus Walters' challenge to race to Bermuda and back for $5,000. "The $5,000 would not even pay the expenses of such a race," Pine said. "Cap'n Walters himself knows that it would not pay the bills. In the condition that Bluenose is in, she would be lucky to survive such a race." Pine said Thebaud will resume fishing November 7.

C. J. FITZ GERALD'S PLANS

C. J. FitzGerald, Sr., steward representing the Illinois Racing Commission, will leave here Monday night to see the War Admiral-Seabiscuit race and then will go to his home in Riverside, Conn. He will return to Illinois about the middle of November to go duck hunting, and then, after another visit to his home, will head for Santa Anita.

WENT TO POST—3:00. AT POST—2 minutes.

Start good and slow for all but Chinese Empress. Won driving; second and third the same.

OKLAQUEEN, going in her best form, shook off an early challenge from MISS CONTRARY, bore out slightly on the last turn and, going gamely, held RAGACREEK safe in the drive. RAGACREEK, never far back, was in close quarters in the final eighth, but made up ground steadily when clear. MISS CONTRARY forced the pace for most of the journey, but tired in the final eighth. CHINESE EMPRESS began slowly, was hard hustled throughout, but could not reach the leaders. VOLTINA could not keep up. BONNIE HOWARD was always outrun.

Overweight—Chinese Empress, 1 pound; Voltina, 1; Bonnie Howard, 1½.

HERE AND THERE ON THE TURF

(Continued from second page.)

ment the information that on December 15, 1883, Ten Broeck, weighed 1,215 pounds and measured 77 inches around the girth. . . . Longfellow tilted the scales at 1,242 pounds and girthed 75 inches. . . . Quite a contrast between the great horses of that day and those of the present time. . . . War Admiral girths 70 inches and weighs 960 pounds and Seabiscuit 72 and 1,040 pounds.

Anthony Pelleteri has leased the Delaware Farm of the elder James Healy and has the Millsdale Stable yearlings under saddle there as well as some of the older members of the establishment. . . . Last year the New Orleans horseman utilized Bennings. . . . Following the current Maryland campaign he will make up the division to be sent to Santa Anita Park.

Milky Way will not indulge in a winter campaign for the first time. . . . Roy Waldron will take the horses he has at Pimlico to the farm at Pulaski, Tenn., at the conclusion of the Maryland campaign. . . . They will be spring-trained there until time to take them to Keeneland or Churchill Downs. . . . A strong effort will be made to develop at least one good three-year-old from among Giles County, Up the Creek, No Competition, Sports Writer and the other likely youngsters in the stable. . . . One of the better two-year-olds of the current season which will be nominated for the Kentucky Derby is Eight Thirty. . . . George D. Widener's good colt will have the Preakness as his first major engagement. . . . He is now turned out at Erdenheim Farm near Philadelphia.

Major Louie A. Beard's appointment as director of racing at Arlington Park is with the idea of making the sport at that Chicago course even more comparable with the best in the country. . . . In the event that Charles J. McLennan is unable to handle the job of racing secretary at Arlington because of his new lucrative position with Suffolk Downs in entire charge of the sport, the position may be proffered Robert S. Shelley. . . . Should he accept, Shelley will have to give up his work on the midwestern Canada circuit but it will fit in better with his assignment at Narragansett Park. . . . Not only will no mile races be staged on the main course at Hialeah Park this winter but the chute from which such races started is being eliminated. . . . The promise exhibited by Peace Chance's first yearlings very probably prompted C. V. Whitney to exercise the option he held on the son of Chance Shot and Peace, by Stefan the Great.

The latter moved up gradually in the run through the back stretch, loomed up menacingly midway of the turn, but was unable to overtake the winner under punishment through the stretch. MANHATTAN, restrained for the first mile, came with good energy in the closing test, but was unable to endanger the leaders. WHIPSTITCH trailed far back early, but closed some ground while passing tired horses through the last three-eighths. EVEN UP was unable to make up any appreciable amount of ground. CHALLEDON was not hurried during the early running, was far back until leaving the back stretch, moved up stoutly on the inside to overtake the leaders before reaching the stretch, then increased his advantage steadily and was never menaced, although ridden out smartly. IMPOUND stumbled at the start, recovered gamely, was under slight restraint until the last half mile, then moved up gradually and held on willingly in the stretch drive. GILDED KNIGHT trailed his field into the back stretch, moved up with a rush on the outside rounding the turn and finished determinedly. T. M. DORSETT was well placed and slightly restrained while following in pursuit of the pace, then tired after going three-quarters. TIME ALONE outran his field to the first turn, opened up a good lead, was taken under stout restraint and flattened out badly when challenged. OLNEY raced well for the first half mile. SPORTSMAN'S CLOSING TODAY

Cicero Half-Miler Enjoys the Most Successful Session in History.

Eight Races Scheduled on Au Revoir Program—Good Season Despite Bad Breaks in Weather.

CICERO, Ill., Oct. 29.—The long summer racing season in Illinois will be brought to a close with a splendid program of eight races at Sportsman's Park Monday. The season opened on May 1 and, if it does not go down as the most prosperous this sector has enjoyed, it will stand out among the most successful from a racing standpoint.

During the six months coming to a close Monday racing fans of Chicago and its environs have been privileged to see some of the outstanding handicap performers of the country, as well as some of the top flight juveniles, and the fact that some of the meetings were not quite the financial success expected can be laid to general conditions rather than to the absence of high-class sport. Unfavorable weather during several of the meetings did not tend to stimulate attendance, but withal, managements of the various tracks were not to odisappointed with their fortunes.

Virtually every association on the circuit has announced an ambitious program for next year, and these plans probably will be made public after dates are allotted for 1939.

The 1938 season opened with a meeting at Aurora, and then followed with sessions at Lincoln Fields, Arlington Park, Washington Park, Hawthorne, and, finally, Sportsman's Park, whose close Monday ends a nineteen-day stand.

The final program will be headlined by a dual feature—the Chicago Handicap, at a mile and seventy yards, and the Endurance Test, at the marathon distance of two miles and an eighth. Nine were named for the handicap, which carries a purse of $1,200, and seventeen for the Endurance, which is endowed with a $1,000 purse.

Among those to match strides in the Chicago Handicap are Our Reigh, Chance Ray, Gato, Shining Heels, Mo and Masterpiece, and the top weight will be Mo, assigned 117 pounds.

Some of those scheduled to try conclusions over the two miles and a furlong of the supporting feature are Pennlist, winner of the race a year ago; Wanderobo, Taximan, Perfect One, Fair Prospect, Merry Go Round and Gay Blade.

The other six races on the card also bring together well-matched fields and should prove interesting affairs.

Although Monday usually isn't a day for large attendances, the closing program is expected to attract a gathering comparable to bigger days of the meeting, particularly if the weather is favorable. Post time for the first race will be 1:45 o'clock.

CONSIDER YOUNG'S CASE

LOUISVILLE, Ky., Oct. 29.—The Kentucky State Racing Commission met at Churchill Downs Saturday to consider further the case of Tom Young, Lexington trainer suspended in connection with alleged artificial stimulation of a horse at Latonia, but failed to clarify same to its satisfaction. All members of the commission attended. The only other business attended to was routine.

SOUTHERN SHIPMENTS BEGIN

New Orleans Fair Grounds One of Chief Destinations.

George W. Ogle Dispatches Dozen From Laurel Park Intended for a Winter Campaign—Eccard Also Due.

NEW ORLEANS, La., Oct. 29.—Fair Grounds is about to have the busiest week in its preparations for the 1938-39 winter race meeting, commencing Thanksgiving day. Simultaneously with the closing yesterday of four tracks, River Downs, Sportsman's Park, Empire City and Laurel, word was received by general manager R. S. Eddy, Jr., that many of the outstanding stables racing at the respective points were planning to ship here the next six days.

Of outstanding interest was news from Laurel that George W. Ogle, nationally-known horseman, would soon unload a string of more than twelve at the local oval. In Ogle's extensive group are such brilliant ones as Busy K., Infidox, Clocks, Slump, Perlette, Ptlomey and Time Signal, to say nothing of such other capable ones as South Bend, Patchpocket, Mothel and Iron Bond.

Busy K. was a recent winner of the Yonkers Handicap in New York, in which he vanquished among others Teufel and Rex Flag. He has been campaigning with the best handicap horses of the country and needless to say should prove one of the cream of the stake performers here this season. To date, Busy K. has won $7,875 in purse money.

The accomplished rider, Ralph Eccard, is connected with the Ogle establishment, and is expected to ride here for the stable throughout the meeting.

EXODUS FROM SPORTSMAN'S.

Coming this week, among others, from Sportsman's Park, will be the prominent strings of Benny Creech, Clarence Davison, Mrs. C. C. Winters, J. W. Bernard and H. C. Rumage.

Creech, who has a trio already quartered on the grounds, will bolster the group with such fine ones as Miss Dolphin, Flying Watch, Grey Streak, Sir Ally, Gato, Bright Land, Shining Heels and eight others, determined to be one of the leading owners of the meeting, just as he was here last season. Bobby Conley, who broke his maiden here last winter, then went on to become one of the cleverest reinsmen in the Middle West, will likewise return with the Creech establishment.

In Davison's string are Chance Ray, a topnotcher here last year; Navanod, Sanctity, Masterpiece, Salaam, Boston Sound, Getalong and eight others. Mrs. Winters has as her mainstays Pokeaway, Catomar, Bald Crest and Kabo. In all she owns twelve head. Connected with the stable and attempting a comeback is Jose Marerro, leading rider here two years ago.

RIVER DOWNS CONSIGNMENTS.

Joe Baumbach will top a list of horsemen coming from River Downs. With the local favorite Zevson, holder of the mile and seventy yards track record, again as his ace, Baumbach also has Air Pocket, Eddie Wrack, Gum Drop, Chocolate Drop, Delphinette and Thornby. Local fans have not forgotten how Zevson mopped up on the handicap brigade here last winter, then went to Hialeah to finish second to War Admiral. Another important stable coming from River Downs is that of T. Deahl, with its star sprinter, Fast Move.

Accordnig to racing secretary Dick Leigh, who returned yesterday from California following a visit to his mother, there are about 250 horses registered on the grounds to date, with this number expected to be bolstered by several hundred during the coming week. Many of the leading establishments from New England are still to be heard from, but this will probably wait until the conclusion of the Narragansett meeting a week from the coming Saturday.

NO COAST BID GIVEN RAMS

NEW YORK, N. Y., Oct. 29.—According to graduate manager of athletics, Jack Coffey, of Fordham University, the school officials haven't been consulted on the possibility of a post-season football game for charity between Fordham and Santa Clara in Los Angeles on January 1.

ANGLO SAXON, nicely handled, raced into a short lead after clearing the first turn, met repeated bids from FRENCH TRAP, was kept in the better footing and rallied to punishment to stall off WOULD DARE. The latter began very slowly, then improved his position on the outside to close with a belated rush. CARNAGE was prominent from the start and continued with excellent courage to the finish. FRENCH TRAP raced on the inside of the winner from the beginning and faltered when kept in the heaviest footing. HIGH TENSION found clear racing room, but failed to engage the leaders. ABBATORO had no excuses. BOOSEL was held safe. GEMWICK tired early.

Start good and slow. Won driving; second and third the same.

SUN ALEXANDRIA, permitted to settle in his best stride after racing along on his own courage in the first three-quarters, responded stoutly when shaken up, swung to the outside and closed strongly under punishment in the stretch drive to wear the pacemaker down in the last sixteenth. KAYAK II. was able to displace PURPLE KING midway of the back stretch, opened up a long lead on the final turn, went into the deep footing when reaching the stretch and tired nearing the end while under punishment. JOHN ONE raced well placed, made a weak bid on the final turn, then was held safe. ROOM SERVICE dropped back early and was never a threat. PURPLE KING raced well for three-quarters, then tired steadily.

Start good and slow. Won driving; second and third the same.

WHITE COCKADE, at home in the footing, raced to the front immediately, was steadied until reaching the stretch, then was placed to severe punishment to withstand C-NOTE. The latter, a strong contender early, made a stout effort when reaching the stretch, then hung nearing the finish. CLOCKS saved ground while going in the thick of contention, but tired after five-eighths. BOTTLE CAP lacked early speed and was never able to enter contention. UNHERALDED had no mishaps. VOLITANT, handled nicely, was taken to the outside of GOOD ODDS while going in close attendance, responded to punishment to take command nearing the stretch, then withstood a severe drive willingly to outlast TIN DEVIL. The latter was kept close to the leaders from the start, moved up fast nearing the stretch, engaged the winner in the last eighth and fought it out stubbornly to the finish. GOOD ODDS moved into a short lead after saving ground on the first turn, was placed to punishment in the last five-sixteenths, but failed to stay. TIME SHEET was well up from the beginning and was best of the others. BIG NED lacked speed and was never dangerous. DUST TO DUST was never a threat. GILES COUNTY was ridden hard, but was not good enough. CHIEF ONAWAY lost much ground on the first turn, then trailed for the balance of the trip.

Scratched—68041 Exploded, 113.

JACOLA, rated back of GREAT UNION for the first seven-eighths, gained steadily to engage the pacemaker at the final turn, responded to punishment when straightened into the stretch and closed determinedly to get up in the last sixteenth. GREAT UNION was taken under light restraint after moving into the lead, saved ground wherever possible and held on tenaciously when placed to punishment in the last eighth. TWO BOB improved her position nicely when placed to a drive, but could not reach the leaders. ANEROID raced well placed, but could not offer serious contention after going three-quarters. ESPOSA was rated forwardly, but failed to rally when shaken up. REGAL LILY was held perfectly safe. JOLLY TAR was outrun and his bandage became loose in the running. MR. MACHILLA moved up on the inside when urged, but faltered in the stretch. FREE was outrun all the way.

CAVALCADE'S FEE IS $1,000

Brookmeade Stallion at Almahurst Farm, Near Lexington—Drymon Leases the Sire Okapi.

LEXINGTON, Ky., Oct. 29.—Hugh Fontaine, manager-trainer of Brookmeade Farm thoroughbreds for Mrs. Dodge Sloane, spent the greater portion of Friday with Henry H. Knight, owner and Marvin Chiles, manager at Almahurst Farm, near Lexington and returned last night to Upperville, Va. Cavalcade and Psychic Bid, owned by Brookmeade are at Almahurst and are to make the season of 1939 there.

The fee for Cavalcade has been fixed at $1,000 and for Psychic Bid at $250, both with return privilege for one year. Several of the Brookmeade mares will be sent to Almahurst to be mated, some with Cavalcade, others to Psychic Bid. "We have seven yearlings by Cavalcade at the farm in Virginia," said Fontaine, and they are excellent individuals, looking like grand prospects for racing. Cavalcade is a splendid breeder.

Fontaine announced that Okapi has been leased to Ira Drymon, and is to stand next season at Gallaher Farm, on Russell Cave Pike near Lexington, which is now under lease to Drymon. This will be Okapi's fourth season in the stud. He stood his first year at Howard Oots' Fayette Farm near Lexington and second and third years at John S. Wiggins' Military Stock Farm. His oldest are yearlings now and they and his weanlings are looking good enough to make book filling for 1939 an easy matter.

NEW FIELD STAND AT DOWNS

Structure Being Erected on the Site Where Clubhouse Stood When Track Was First Opened.

LOUISVILLE, Ky., Oct. 28.—A field stand capable of seating 10,000 patrons is being erected at the Fourth Street entrance to Churchill Downs and fronting the track at the upper turn. The stand when completed will stand at the same spot as did the clubhouse when the track was opened in 1875.

FRENCH LANE PASSES AWAY

Chicago Tribune Turf Writer Dies in Evanston Hospital—Ill for More Than a Year.

French L. Lane, turf editor and special sports writer for the Chicago Tribune since 1921 and a former president of the Illinois Turf Writers' Association, died Friday night in the Evanston Hospital at the age of 48. He had not been in the best of health for almost a year and succumbed to a complication of ailments.

Lane had not covered the races here since early in the Hawthorne meeting, although he attended the sport as a spectator on the final day of the season there.

Lane, whose friends among turf folks are legion, joined the staff of the Tribune after having served as sports and later news editor of the Peoria Journal-Transcript and was widely known as one of the most able writers in his field. He is survived by his diwod and a 12-year-old daughter.

Funeral arrangements have not yet been completed.

As a tribute to his memory, Edward O'Hare, president, and John Patton, secretary and treasurer of the National Jockey Club, had the flag at half mast at Sportsman's Park.

ADGIE QUITS AS REFEREE

PHILADELPHIA, Pa., Oct. 29.—Matt Adgie of this city has announced his resignation as a boxing referee in the state of Pennsylvania because of the criticism following his voting for Roscoe Toles in the Toles-Willie Reddish fight staged here last Monday night.

GRATTON AT LAUREL

LAUREL, Md., Oct. 29.—J. U. Gratton, who for many years campaigned a large stable of horses on Maryland, New England, Florida and Canadian tracks, was an arrival from Montreal and will remain over to witness the Pimlico Special.

RIVER DOWNS' CLOSING DAY

Indian Summer Weather Responsible for Exceptionally Big Crowd.

Lightly-Regarded Imperial Sir Finishes a Head in Front of Franks Boy in the Fifth Race.

CINCINNATI, Ohio, Oct. 29.—Before one of the largest crowds ever to grace the grounds of the River Downs race track and with ideal weather conditions prevailing for the sport the final day's program of the 1938 Ohio racing season was presented Saturday afternoon.

The weather man dealt kindly with the day's conditions and it is probable that the Indian summer-like atmosphere was responsible for bringing out such a large gathering. Long before the horses went postward for the opening race of the afternoon the grandstand enclosure and the clubhouse were filled to near capacity.

The final day's program of events, made up of eight races, provided all that could be expected in the way of thrilling finishes and hard-fought contests. And, although in the first few races second choices and neglected entrants took the measure of the favorites, the public's choices came in for their share of winning efforts during the afternoon.

McCOY ON WINNER.

The fifth race, co-feature and handicap for two-year-olds, brought forth five of the best youngsters on the grounds and at the end of the six furlongs the lightly regarded Imperial Sir, from the stable of John N. Anhut, was a head before Franks Boy, which held on to the front at the outset, but tired perceptibly in the closing stages. Third went to Good Star, some two lengths farther back. Wage Earner and Sherry B. completed the field.

Imperial Sir, under a sterling ride by the veteran rider, Jimmy McCoy, was held in restraint during the opening run, while Franks Boy showed the way to the others. After the field had traversed three-eighths of a mile McCoy shook up Imperial Sir and the juvenile responded well to charge fast through the stretch and reach the finish a winner.

Night Editor, four-year-old son of Stars and Bars, which races for I. S. Shafer, ran his string of consecutive victories at the local course to three and accounted for his ninth triumph of the year when he annexed the Cuvier Press Handicap, feature offering of the afternoon program.

The Shafer sprinter came to the finish some three lengths before the Rosedale Stable's Lake View which, in turn was another three lengths before Kentucky Blues, coupled with Lake View as the Rosedale entry. Young Ebony and Genuine's Life, the only other starters, finished in the named order.

MANLY SCORES VICTORY.

Manly gained a hard-earned decision in the second race, when the five-year-old son of Fine Manners, which came from far back, got up in the last stages to take a head decision over Nervous Lady, the favorite. Bonnie Cain was third, another length farther back.

A thrilling finish came with the running of the fourth race when My Colin emerged the winner by a nose decision over Tarpon. The latter held a half-length margin over Manda's Baby, which was third. Tarpon, Marcabala and My Colin raced heads apart through the stretch run, with C. E. Deahl's My Colin getting up in the last stride to subdue Tarpon and take a hard-earned decision.

OKLAQUEEN COMPLETES TRIPLE

First Horse to Win Three Races at Shreveport Meeting.

Distance Runners Perform in Majority of Louisiana Contests—Semicolon Accounts for the Opening Race on Program.

SHREVEPORT, La., Oct. 29.—C. E. Woodman's chestnut mare Oklaqueen became the first triple winner of the session of the State Jockey Club's Fair Grounds here this afternoon when she defeated five others in the third race. Ragacreek finished second, a length behind the winner, and Miss Contrary was a tiring third.

Showing fine speed throughout, the eight-year-old daughter of Docod—Spot Over was hard pressed to gain the decision. Miss Contrary gave Oklaqueen a battle during the first half mile of the journey, but tired when urged hard in the closing furlong.

The victory was quite popular with the large gathering of devotees of the thoroughbred sport which attended the half-holiday program. Oklaqueen was installed second choice in the betting and returned odds of 2 to 1 to those who wagered on her.

Distance runners performed in a majority of the contests on the bill, which was headed by the Louisiana State Fair Claiming Purse, at a distance of a mile and one-half, and brought together a field of six contestants.

A field of eight engaged in the mile and seventy yards contest that was offered as the second race of the day and Scholar Girl, from the stable of P. Wright, proved too much for her opposition and romped to an eight-length victory, with Westko second and Dick Daring next in order at the finish.

Coming from behind in courageous fashion, Miss Betty Tice's Houstonian accounted for the fourth, another dash of six and a half furlongs. Thresher was second and Tappanaugh third. Under the guidance of jockey Gerald Gleason, Houstonian was rated off the pace for a half mile while Tappanaugh and Thresher alternated at setting the pace. However, Houstonian required some strong handling in order to wear down Thresher. The winner paid $14.20.

CLODION BY A NECK

Earns Close Decision in Scarsdale Handicap at Empire City.

Autumn Day Stakes to Ciencia—Smart Crack and Liberty Flight Disappointing Favorites.

NEW YORK, N. Y., Oct. 29.—Walter Carter's Clodion and R. J. Kleeberg's Ciencia were winners of the two final features of the long New York racing season at the Hilltop course of the Empire City Association this afternoon.

Clodion earned a close decision in the mile and seventy yards of the Scarsdale Handicap, adding $5,050 to his earnings, while Ciencia took down the Autumn Days Stakes, for juvenile fillies that netted her $2,375 and in both features the favorites were beaten.

For the final day of the season the weather conditions were ideal but the track was muddy from the recent rains. The crowd was one of the largest of the meeting and when the first three favorites were home winners, the patrons began the day in a good humor, even though Smart Crack failed in the Autumn Days and Liberty Flight disappointed in the Scarsdale. Incidentally both of these favorites bore the silks of T. P. Morgan.

THREATENS RUNAWAY.

In the Scarsdale, Woolf attempted to make a runaway of the mile and seventy yards. Evidently of the opinion the son of Liberty Limited could steal away far enough to stick it out, he sprinted him along until he was half a dozen lengths clear. He was going so strongly when in the lead that it seemed well nigh certain he would be winner. Then, after rounding from the back stretch, he began to weaken.

Clodion had been racing along under a slight restraint in second place and he was first to close up on the Morgan gelding. Then Hebert roused the lightly weighted Essjaytee and he shot up on the inside to be close in the contention. In the meantime, Liberty Flight was tiring so badly that it was apparent he was soundly beaten. For a few strides Essjaytee showed in front by reason of cutting the corner into the stretch, but he had accepted the worst going to save ground and Clodion had him beaten a furlong out.

In that furlong Clodion hung on to be over the line winner by a neck. Essjaytee was a length before Mythical King, one that had closed some ground and then followed the soundly-beaten Liberty Flight with Roguish Girl, the only other starter, never having been in the hunt.

Clodion was well played, though Liberty Flight was always the choice and after being as good as six to one he went to the post with 9 to 2 the quotation, while Essjaytee was the outsider at 15 to 1.

OUTGAMES SMART CRACK.

When Ciencia outgamed T. P. Morgan's Smart Crack, to win the Autumn Days Stakes, she whipped a filly that had been unbeaten all the season. But it will be remembered that in her last previous race the daughter of Kiev was closer to defeat than on any other occasion. It was a close fit and the Kleeberg miss only won by a head, while eight lengths back of the battling pair Blue Fairy beat Carence, the only other starter, by ten lengths. This was the fourth victory in twelve starts for the daughter of Cohort and it added $2,375 to her earnings, bringing her total to $7,780.

With little delay at the start the four fillies left on the same stride and as was to be expected, Smart Crack at once dashed into a command of four lengths. Carence was second with Blue Fairy third and Ciencia brought up the rear, some half dozen lengths back of the Morgan miss before the first post of the five and three-quarters furlongs dash had been reached.

Yarberry was sitting still on the daughter of Cohort and racing her along inside where she was saving some ground. Before the turn from the back stretch had been completed she had improved her pace and was making up ground gradually but there seemed little chance for her to run down the flying leader.

It was three furlongs from the finish that Ciencia was alongside Blue Fairy and she had put Carence away by that time. She was in second place and rapidly closing on Smart Crack when the turn for home was reached. Woolf sensed the danger and he went to work on the Morgan filly. She responded gamely but Ciencia continued to race straight and true inside of her until it was her head that was over the line first.

Smart Crack was always the choice of the small field and she was quoted at 9 to 20 at post time.

PLAYMAY WINS AGAIN

the afternoon when Gorbet & Irvin's Ebony Boy got home in front in the sixth race. The son of Flying Ebony took the lead after about five-eighths and holding it completed the mile and seventy yards with three lengths to spare. Honey Roll was the leader until the winner came along and then dropped back fast. Second money went to Bobbrax, with third going to Smiling Prince, the favorite. Magic Winnie came from a long way back to lead home the others.

GEORGETOWN STILL UNBEATEN

PHILADELPHIA, Pa., Oct. 29.—Continuing its march to national honors, Georgetown University's football eleven defeated Temple here Friday night by a score of 13 to 0. This marked the Hoyas fifth straight victory with no defeats and no ties. Mellendeck and Ghecas scored for the winners. The crowd was held down to 8,000, due to an all-day rain.

BIRTHDAY PRESENT BITES

NEW YORK, N. Y., Oct. 29.—Phyllis Haver, of the silent film era, known in private life as Mrs. Billy Seeman, staged a birthday party in honor of her husband the other night, presenting her spouse with a monkey, placed in a box and wrapped like a birthday present. Upon opening the animal nipped the first thing he saw, namely, Mrs. Seeman's thumb.

OPENING DAY AT DOWNS

(Continued from first page.)

previously had won on Sweep Through, the winner ran the distance over the fast but dead track in the fine time of 1:12⅕.

McCombs had Lightspur in the van at the start, with Range Dust in second place and Steel Heels showing the way to the others. Lightspur rapidly established a clear lead and after the first quarter increased it to two lengths. This advantage he maintained to the end. After reaching the stretch Range Dust dropped back in favor of Steel Heels and although the latter was unable to menace the speedy leader, he was much the best of the others.

CHEROVAN BEST.

Cherovan, carrying the Louisville-owned Shadybrook Farm colors of Theodore E. Mueller, furnished a surprise in winning the third race, fashioned for better grade platers and at six furlongs. Mother's Love was three-quarters of a length back of the winner and a length before Ginocchio, which beat the tiring Little Empress by half a length for minor honors.

Chalking up her first victory since midsummer, Miss Bulldog was an easy winner of the Alta Vista Handicap, sixth event. Last Message, a well-backed choice, was two and a half lengths back of the winner and Opera Star, the second choice, third.

Miss Bulldog ran the six furlongs, with Robert Montgomery rushing the daughter of Bull Dog to the front. Drawing clear after a quarter mile, the winner steadily increased her advantage to be in hand at the end.

A spill in which Co-Sport, the favorite, and Jeffersontown were involved, marred the fifth race and second of the best races. Diavolo Boy was the winner with Little Nymph second and the Whale third. Co-Sport fell when in close quarters approaching the stretch and Jeffersontown fell over him. Kenneth McCombs was unconscious when rushed from the track and after a preliminary examination was taken to a local hospital.

Janice and Neighbor dominated the pace to the stretch, where Diavolo Boy drove to the front and steadily increasing his advantage, reached the final three and a half lengths before Little Nymph. The Whale moved into second place shortly after reaching the stretch, but tired in the last stages. Co-Sport was enjoying a prominent position when the mishap occurred.

Eight horses, the property of the Snow Flake Stable, in charge of P. J. Van, arrived from River Downs.

JACOLA AND VOLITANT

(Continued from first page.)

Volitant had all he could to do defeat R. C. Thatcher's Tin Devil by half a length, while D. J. Sullivan's Good Odds finished another six lengths back, while Time Sheet was fourth.

The Washington was practically a two-horse affair all the way, Great Union being hustled to the front right after the start, while Jacola swung in behind him under a strong pull. Esposa, Idle Miss and Aneroid also were close up as the field went into the clubhouse turn, but upon reaching the back stretch Great Union and Jacola drew away from the others.

TERRIFIC STRUGGLE.

Peters waited until leaving the back stretch before calling on Jacola and she moved to Great Union readily, but the latter also had been well rated and gave the filly a terrific struggle until the final sixteenth, where the Friendly miss drew away. Their battle had carried them far ahead of the others, of which Two Bob moved up on the second turn, as Esposa weakened badly and Aneroid continued evenly.

The fractional time was :23⅗, :47⅘, 1:13⅗, 1:40⅕ and 2:06. Jacola's score was her fifth in six starts, her only defeat having been administered by Idle Miss in the Ladies' Handicap, and increased her season's earnings to $32,575. Last year she collected $31,715.

Harry Richards' masterly and powerful riding had much to do with the triumph of Volitant in the Jenkins as the colt appeared anything but a short-priced favorite, as Tin Devil challenged him in determined fashion in the run through the stretch. Richards kept the son of Display and Flighty Ann at his task in courageous fashion as he held the Thatcher colt at his saddle girth. Good Odds finished six lengths away and well before Time Sheet and the others.

VOLITANT BRISKLY RIDDEN.

Breaking on top from his rail position, Volitant was briskly ridden so as to be able to get off the rail going into the first turn, Good Odds and Tin Devil being placed on the inside of him. In the run down the back stretch, Richards had Volitant in steadying restraint while running head and head with Good Odds, while Tin Devil was eased back off the pace.

Half way around the second turn, Richards was compelled to rouse Volitant to shake off Good Odds and at that time Tin Devil was given his head and began moving up in outside. Soon after the field straightened out for the stretch run, the Thatcher colt was well flanked on Volitant, which caused Richards to rouse his mount sharply with the whip. Under this urging, the favorite held Tin Devil safe, while Good Odds held third place, as none of the others were able to advance after having been outrun from the beginning.

Volitant ran the mile in 1:42⅗ to make the Jenkins his fourth victory in five starts, his only defeat occurring in the Junior Champion, in which he finished at El Chico's heels. His only previous feature victory was in the Saratoga Sales Stakes.

THE PAPER THAT PICKS WINNERS
PRICE, 35 CENTS PER COPY

Each Tuesday, Thursday and Saturday morning POST TIME WEEKLY publishes an advertisement in this and other racing papers, giving the names of two horses which our handicapper figures should win on the date advertised. These names are given in code. The Code is published in POST TIME WEEKLY, and is changed each week.

These selections have been running close to form, as a check-up for four weeks shows that 24 horses were released by this code, with 3 of them being scratched. Of the 21 horses that went to the post only 2 finished out of the money. That means we had more than 90 per cent in the money. More remarkable is the fact that of the 19 horses which finished in the money, only 1 finished in the third hole. As a matter of fact, 9 horses won, while 9 ran second and 1 finished third. Of 21 starters, 18 finished either first or second. This is a record of which we are justifiably proud.

If you are looking for winners, buy a copy of POST TIME WEEKLY today. The Code horses should cure all your financial troubles.

Each issue also carries the Post Time Ratings, giving accurate ratings on more than 7,000 horses.
